

# West Eugene Wetlands Mitigation Bank

## Service Area Map

June 2006

### Legend

- Primary Service Area Boundary
- Secondary Service Area Boundary
- Waterway or Water Body
- Township-Range Line
- Lane-Linn County Line
- Urban Growth Boundaries
- Unincorporated Communities

### Primary Service Area Boundary:

Properties that lie within the *Primary Service Area Boundary* are permitted to use the West Eugene Wetland Mitigation Bank for compensatory mitigation without further review. The *Primary Service Area Boundary* includes the Eugene urban growth boundary and the airport service area (shaded yellow on map).

### Secondary Service Area Boundary:

Properties that lie within the *Secondary Service Area Boundary* may also use the mitigation bank, but are required to get Oregon Department of State Lands and/or U.S. Army Corps of Engineers approval.
